

EXPLORE THE RED CENTRE

Exploring the Red Centre is your unique experience, where the colours inspire, adventures beckon, where you seek something different.

Mt Sonder

It won't matter if you travel from the south heading north, or vice versa, or even where you start your journey in the Red Centre. Your time in the heart of Australia will leave a lasting impact on yours. Follow these pages for the adventure of a lifetime! If this is a visit to just one part of this region, it will not be long before you feel that yearning to return. Then back to where the pace is easy, the open spaces are huge and the night skies are never ending.

Explore: Coober Pedy - Uluru Kata Tjuta National Park - Alice Springs - Tennant Creek - and so many places in-between.
